Culture of Ownership: Core Action Values 7-12

Core Action Values 7 through 12 give you a roadmap for getting things done in the world. High achievers are always driven by a sense of Purpose that is greater than simply trying to make a living, and they have a Vision for the future; they Focus their time, money, and energy on what it takes to bring about that ideal future, and they do it with Enthusiasm, and a commitment to Service; and in doing all these things they become the sort of person that other people want to follow—they become Leaders.

Core Action Value #7-Purpose

Your work is the hammer and chisel with which you carve the statue that will be the future you. The work a person chooses to do, and how they choose to do it, is a key determinant of who they become.

Medical Staff Services Reminders

- Texas Electronic Registrar (TER) Death Registration System—Since 2007, state law requires that all cause-of-death information and medical certifications to the DSHS be submitted electronically. Physicians who do not sign death certificates in a timely fashion face a \$500 fine per violation from the TMB.
- It is peak season for students and others who want to come in and observe practitioner work. Anyone who will be observing a practitioner needs to complete and provide some information before they are able to do so.
